## Come race in our new Club Racer class for as little as \$225!

Few things are better than a weekend at the track. If you've done track days and are ready to bring your driving skills and hot lap times out for side-by-side, non-contact racing, check out the new 'Club Racer' class forming-up now at VARA. It's open to modern production cars with a qualified level of race/safety equipment and preparation. Advance registration is required - start the process on our website.

Great news: VARA has the lowest racing entry fees on the West Coast. Our next event is the annual Oktoberfest\* event held **September 10-11, at Buttonwillow Raceway Park**. Be sure to ask for the special first-time VARA racer price of just \$225 for the whole weekend. Join us for awesome racing, featured events, a fun crowd and night-time BBQ parties in the pits (\*yes, there will be beer). You'll find a paddock full of fast, vintage race cars from the 60's and 70's and newer cars as well. Look for future events at Las Vegas (Oct. 7-9), Willow Springs (Nov. 5-6), Chuckwalla and Auto Club Speedway.

Go to our website and click the Club Racer link for complete details.
